

May has arrived!

Nature has blossomed...

Colours dominate...

Landscapes enchant...

# Monuments “talk”...

Yards “invite” ...

The sea evokes feelings and thoughts...

The fields “beckon”...

People rush out in nature...

# The wanton ways of flowers...

Innocence blushes...

Children are happy...

Garlands of flowers are  
woven...

A simple garland of flowers...

An impressive garland of  
flowers...

A colourful garland of flowers...

# Grills dominate...

The table is ready...

Eating and drinking begins...

# Dancers start...

The circle dances begin...

# Roasted lambs...

# Bonfires at night...

HAPPY 1<sup>ST</sup> OF MAY...
