

How to do an unique lamp

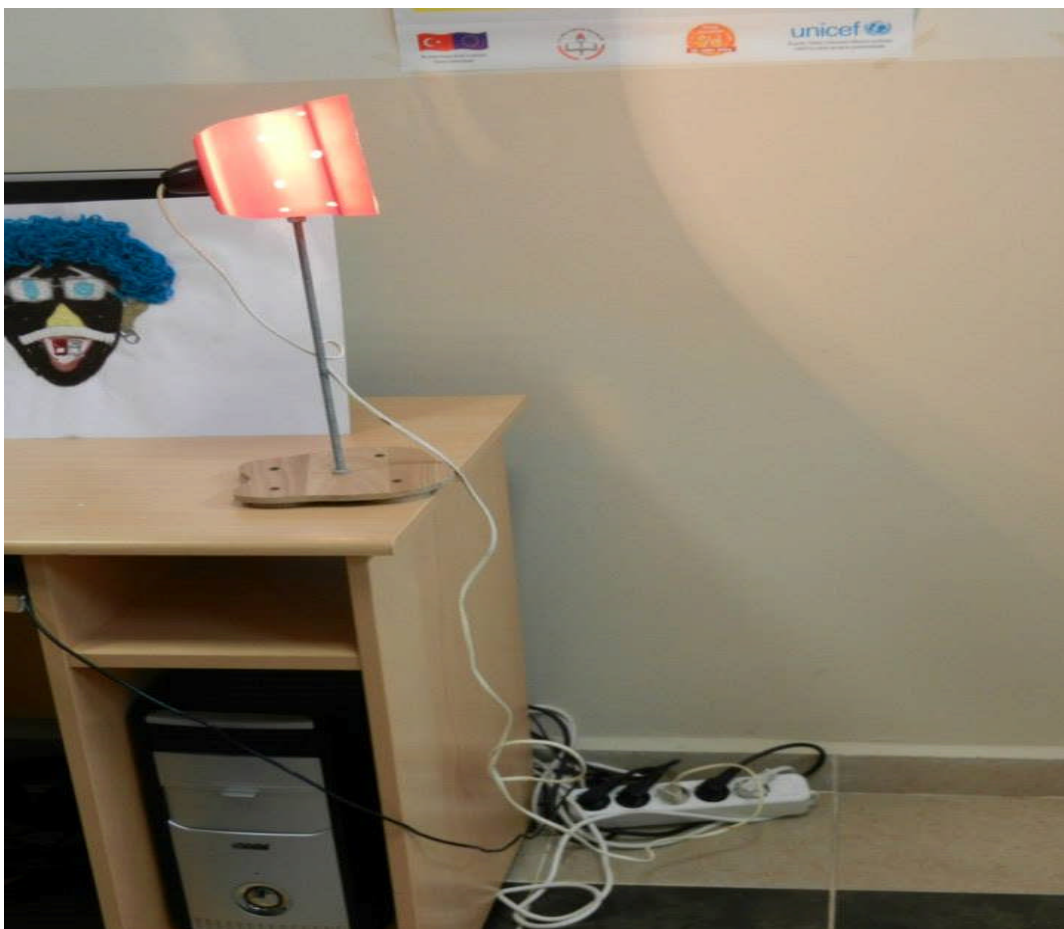

Time required: 2-3 hours (one hour only to find the best idea).

No. of people involved: 2 (George and Robert)

What you need:

- 1 flowerpot,
- 1 metal rod,
- 1 base (we have used an old strong chair),
- 1 electric cable,
- 1 bulb,
- 1 socket cup.

After finding all you need, assemble everything, in the most unique and original way you can ;)) and you will getthis:
